

CELEBRATION OF STATISTICS DAY, 2024

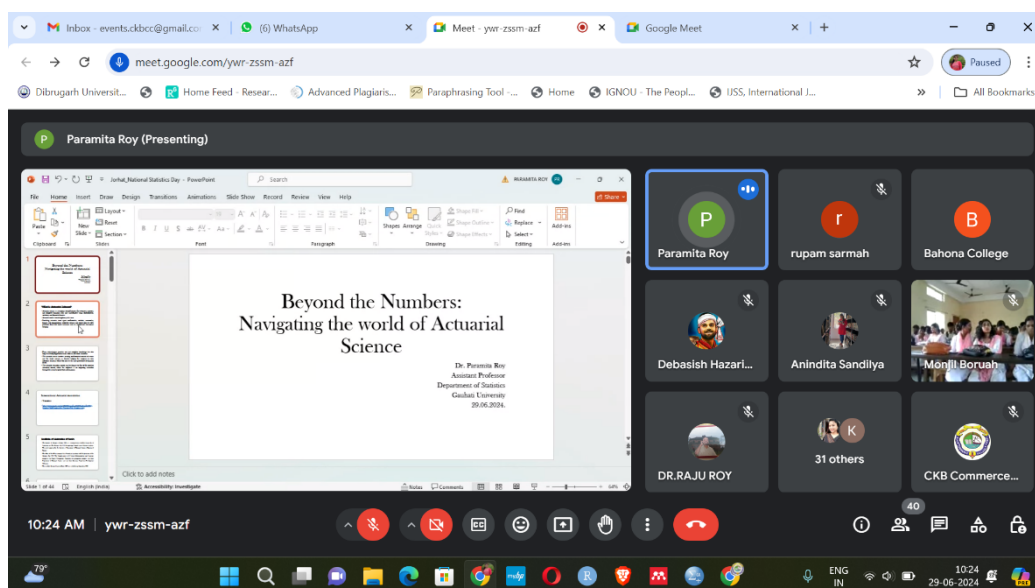

Date: 29/06/2024

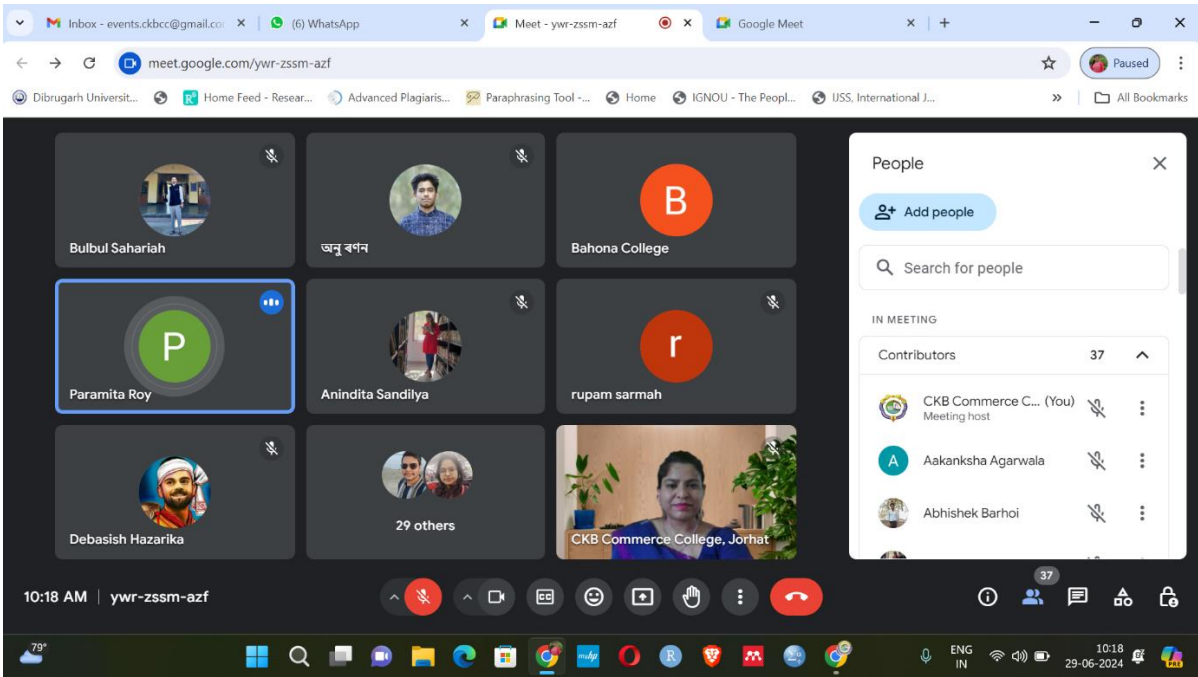

The Department of Statistics and Mathematics, CKB Commerce College, Jorhat in association with the Department of Statistics, Bahona College, Jorhat, organized an online talk to celebrate the 18th Statistics Day, honoring Prof. P.C. Mahalanobis' birth anniversary. The talk, titled "Beyond the Numbers: Navigating the World of Actuarial Science," was delivered by Dr. Paramita Roy, Assistant Professor from the Department of Statistics, Gauhati University.

The event began with an inaugural speech by Dr. Breez Mohan Hazarika, Principal, CKB Commerce College, who emphasized the importance of Statistics and Actuary in various fields. Following this, Dr. Sumbit Chaliha, Principal, Bahona College shared a few words, highlighting the collaborative efforts of both colleges in organizing the event.

Mr. Rupam Sarmah, HoD, Department of Statistics and Mathematics, CKB Commerce College introduced the resource person, Dr. Paramita Roy, who then proceeded to deliver an insightful talk on the significance of actuarial science. She discussed the practical applications of statistical knowledge in the actuarial profession, emphasizing its role in assessing risk and uncertainty in various financial sectors. The event aimed to provide students and professionals with a comprehensive understanding of actuarial science, exploring career opportunities and challenges within the field. It also aimed to inspire aspiring statisticians and actuaries by highlighting the dynamic nature of the profession.

The participation of Dr. Paramita Roy, with her extensive knowledge and experience, provided valuable insights and inspired attendees to explore the dynamic world of actuarial science. The event concluded with a vote of thanks by Dr. Bikash Gogoi, Assistant Professor, Department of Statistics and Mathematics, CKB Commerce College expressing gratitude to all participants and organizers for their contributions to the success of the event. Dr. Sulaxana Bharali, Assistant Professor, Department of Statistics and, CKB Commerce College coordinated the event.
